UNIQUE FORMAT

WHY VISIT?

The popular event for design & production engineers, bringing together the best of **Engineering Materials Live**, **FAST LIVE** and **PCB Live**

Returning to the **British Motor Museum** at JLR in Gaydon, buyers and specifiers for the popular **FAST LIVE** and **Engineering Materials Live** events will be joined by design and production engineers visiting **PCB Live**.

Engineering Solutions Live is the essential event for anyone who does business with design and production engineers

- **ONE SIX-HOUR DAY**
- **ONE CENTRAL LOCATION**
- **ONE FANTASTIC SHOW**

www.engineeringsolutionslive.co.uk

THE RIGHT AUDIENCE

WHY EXHIBIT?

Engineering Solutions Live will be promoted extensively to design and production engineers throughout the British manufacturing industry; **46,647** contacts at **15,322** sites (Heads of Engineering, Design Managers, R&D Managers, Production Managers)

- Easy to arrange and highly targeted audience
- Attendance by pre-registration only delivers an audience of genuine OEM buyers, users, designers & specifiers with real materials and joining/assembly needs
- Exhibitors arrive to a pre-built shell scheme stand – ready to go!
- All stands are the same size providing a level playing field
- High profile engineering friendly venue adds to the visitor experience
- Complimentary breakfast roll and brew on arrival for pre-registered visitors (before 10.30am)

Mark Allen

Inspired by innovation

When it comes to engineering, manufacturing and innovation, the **Mark Allen Group** has an unrivalled reach in terms of audiences, markets and brands.

Whether it be in market-leading brands like *The Engineer*, *Eureka!* or *New Electronics*; in shows like *Subcon* and *The Engineering Design Show*; or in conferences like *Additive International* or the *European Manufacturing Strategies Summit*; the **Mark Allen Group's** portfolio of engineering platforms has something to offer everyone involved in the sector.

We want to make sure that you are aware of not just some, but all of what we have to offer you and that you are able to take advantage of all the business opportunities that come with working with the **Mark Allen Group**.

With that in mind, visit our website www.markallengroup.com to find out more about our products or talk to one of our sales agents about any of the titles you may be interested in.

Because if you're talking engineering, you're talking our language.
